

FBA Stock Locations Report

October 10, 2014

Dear Joe Merchant,

Thank you for choosing to identify in which states and at which fulfillment centres Amazon has stored your products.

WhereStock's analysis of your FBA records shows that you have had stock at 21 FBA fulfillment centers in 10 U.S. states since July 01, 2008. Please see the table below for details.

Thank you for using WhereStock.

Yours sincerely,

The WhereStock team.
